HEADTEACHER'S UPDATE

Dear Parents/Carers,

This term has been full of challenges and achievements, and throughout it all, I have been continually inspired by the resilience, generosity, and vibrant faith that shine so brightly across our community here at Holy Family. Whether in the classroom, on the playground, at home, or in the wider community, our values of Achievement, Service, Participation, Integrity, Respect and Equity have been lived out in so many ways.

A huge thank you to all our staff for the energy and care they bring to their roles every day, and for nurturing not only minds but also hearts. We are so proud of all our students and congratulate them for all that they have achieved and for the joy and spirit they bring to our school. And to our families—your ongoing support and partnership are deeply appreciated.

As we enter Holy Week and look towards the celebration of Christ's resurrection, may this time be one of peace, renewal, and grace for you all. I pray that the light of the risen Christ will bring hope to your homes and hearts, now and always.

Wishing you all a restful break and a very happy and holy Easter.

With every blessing,

Mrs Laws

CHAPLAINCY

Flame Congress 2025

A group of students attended the Flame Congress at Wembley Arena. This event is held every two years and is the largest gathering of Catholic young people in the UK. It is a day of praise and worship - with speakers and performers from around the world.

The day closed with Adoration of the Blessed Sacrament with Cardinal Nichols and many of the Bishops of England and Wales.

“Flame was a wonderful experience. It was an unforgettable time, jumping in the crowd singing. This was my second time going and it just keeps getting better. I was surprised to see Bear Grylls but it was comforting to know that a childhood hero of mine like Bear also had struggles with his faith. I could definitely feel that a lot of thought went into preparing Flame 2025. It was incredibly relatable and catered towards our generation which made the event just that much more enjoyable. I'll be looking forward to going again in 2027.” Stacy, Year 13

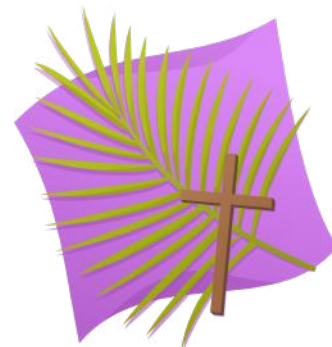

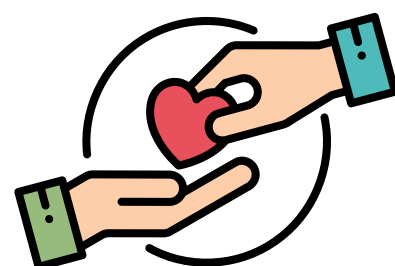

CHAPLAINCY

CAFOD Young Leaders

Miriam has been busy organising fun events during Lent to promote the work of CAFOD. These have included sports events and arts and crafts.

☆EVENTS!
Years 7&8
- Khera and the Glitter Group art lessons where you can make your own chickens
- £1 donations required for glitter and other fun materials
- Free to play Interform quiz on Friday where your form tutors will collect voluntary donations
Years 9&10
- Free to play Interform quiz on Friday where your form tutors will collect voluntary donations
- YEAR 9 ONLY Interform goal scoring and basketball competitions throughout the week; £1 to play and 50p to watch and bring trainers!

Catholic Life Ambassadors

The training our Catholic Life Ambassadors received on speaking at Mass has truly paid off. They have read at several assemblies and their confidence has soared. One of our Ambassadors, Zara, writes:

“Teamwork, sportsmanship and kindness are all essential qualities to succeed. That’s what the newly assembled Catholic Life Ambassadors learnt in their training session that took place on the 6th of February. During this time we learnt how to work as a team so we could reach a common goal.

Our group of ten Catholic Life Ambassadors embarked on an unforgettable journey marked by creativity and spiritual growth. We spent the day collaboratively constructing miniature models of famous landmarks using only sticks, tape, and paper, which sparked our imaginations and playfully showcased the beauty of our faith. In between our building sessions, we took time to read scripture, deepening our understanding and appreciation of the Word. This blend of enjoyment and reflection strengthened our bonds as a group and reaffirmed our commitment to living out our faith in our daily lives.

We enjoyed exploring deeper into our faith and hope we get the chance to do something like that again.”

CHAPLAINCY

Garden Club/Live Simply

We were delighted to see that the majority of the saplings planted last November have survived the winter. Many have small leaves showing which means they have rooted well. The daffodil bulbs also bloomed, adding a splash of colour to the school environment.

Our next project will be planting sunflower seeds, and after the Easter holidays hopefully the greenhouse will be ready for planting vegetable seeds.

Holy Week and Easter

Holy week describes the events that happened to Jesus leading to his death and Resurrection. Maundy Thursday (17 April) is the beginning of the three day celebration of Easter. This period (the Triduum) is the summit of the Liturgical Year.

Through his arrest on Maundy Thursday (the Last Supper) and the Crucifixion on Good Friday, to Holy Saturday, the day that Christ's body lay in the tomb, then on Saturday, at sun down, with a fire, candles and light, the Church re-gathers to celebrate the final, and most grand moment of the Triduum, the Resurrection of our Lord. Though chronologically three days, they are liturgically one day unfolding for us the unity of Christ's Paschal Mystery.

Loving Creator of mine,

I feel the pace quicken, the time draw near.
I am filled with joy as I move toward Easter
and the promised reconciliation with you.

Teach me to follow the example of your
Son,

to be worthy of being called one his people:
a Christian.

Help me to live each day as he did
turning hatred to love and conflict to peace.
I await the new life with eagerness, faith
and a deep gratitude.

Amen

Key Dates:

Sunday 13 April - Palm Sunday

(Luke 22:14-23:56 Jesus Enters Jerusalem in Jubilation for His Passion and Cross)

Thursday 17 April – Maundy/Holy Thursday

(Commemoration of the Last Supper)

Friday 18 April – Good Friday (Solemn commemoration of the Crucifixion)

Saturday 19 April – Holy Saturday (Commemorates the 40hr vigil followers of Jesus held after His Crucifixion)

Sunday 20 April – Easter Sunday (John 20:1-9 The Resurrection of Jesus, the greatest celebration in the Church year)

Christ is Risen, alleluia! Truly, He is Risen, alleluia!

Monday 21 April – Easter Monday

We wish you new hope and lasting happiness this Easter and beyond.

Mrs Grierson and Miss Joseph, Chaplaincy

LENT

Lent

Lent is a 40 day season of prayer, fasting, and almsgiving that begins on Ash Wednesday and ends at sundown on Holy Thursday. It's a period of preparation to celebrate the Lord's Resurrection at Easter. It is also a busy time in school:

All students attended a Service of the Word and Distribution of Ashes on Ash Wednesday.

Each day at 12 noon, we pray the Angelus. We call this “a moment with Jesus” interrupting our day so that we can stop the busyness of life and turn to God.

Year 7 and 8 have been walking the Stations of the Cross, one of the most simple, yet powerful, ways to prayerfully walk alongside Jesus and encounter him like never before. We try to place ourselves there, in each scene, seeing, hearing, smelling and tasting everything that is happening, contemplating what each person in the scene is thinking, feeling, hoping, fearing. This year we have used the SVP stations of the cross, that help us think about those suffering in our own communities.

Years 9-11 welcomed Fr Freddy and Fr Marek from Our Lady & St Patrick's parish for the Sacrament of Reconciliation. Other year groups took part in an Examination of Conscience.

Ash
Wednesday

LENT

Feast Days during Lent

During Lent, most feast days that honour saints disappear from the calendar, and the saint might not even be mentioned at Mass. That's because most saints' feast days are what are known as optional memorials, which have a lower priority than the days of Lent.

There are a few exceptions for feasts that are celebrated at the higher liturgical rank of solemnity, such as the Solemnity of St Joseph on March 19 and the Solemnity of the Annunciation of the Lord on March 25.

Technically, even St Patrick's Day on March 17 is an optional memorial, though in some places (such as Ireland) it has the rank of a solemnity and is observed as such.

St Oscar Romero, March 24, is a special Saint for Holy Family and his Feast Day was acknowledged in school.

We can think of these feast days as a little break from the austerity of Lent, a glimpse of the glory of the redemption and the enjoyment of the Communion of Saints.

LENT

Big Lent Walk 2025

The Big Lent Walk is a challenge where we are going to collectively walk 2000 miles during Lent and get sponsored to raise money for CAFOD (Catholic Agency for Overseas Development) to help people fighting extreme poverty globally.

Well done to Year 7 & 8 who walked a combined effort of over 2000 kms!

Both Year groups walked over 5km from school to Epping Forest. The students were all in great spirits and were blessed with the sun shining! Thank you to the P.E department and other staff who volunteered to ensure that these walks could happen. Thank you to parents, staff and friends who have donated so far. Your contributions are greatly appreciated.

APRIL 2025 • HFCS News

Holy Family Catholic School and Sixth Form is raising money for The Catholic Agency for Overseas Development (CAFOD)

ST. VINCENT DE PAUL SOCIETY

Saint Vincent De Paul Society

The SVP Society have been busy hosting lots of events and fundraising opportunities for the school this half-term!

Pancake topping sale

The SVP held a “topping sale” to mark Shrove Tuesday in school.

Book swap

Our communication’s officer, Albert 7R, took lead in organising a book swap in the LRC to mark World Book Day on 1st March.

Easter egg collection

The SVP launched an Easter egg collection for the children, counsellors and staff at St Joseph’s Hospice, Hackney. Students were incredibly generous in their donations, with a total of 340 eggs being collected! A massive thank you to all involved, especially our fantastic Year 11s that donated over 130 eggs in total.

Easter Hamper raffle

Finally, this Easter saw the return of the SVP hamper raffle. All proceeds will go towards the SVP.

WORLD BOOK DAY

World Book Day 2025

We celebrated World Book Day on Thursday 6th March. This year, students brought in their favourite books and shared with others why it is their favourite. Please enjoy reading some of the student's reasons below:

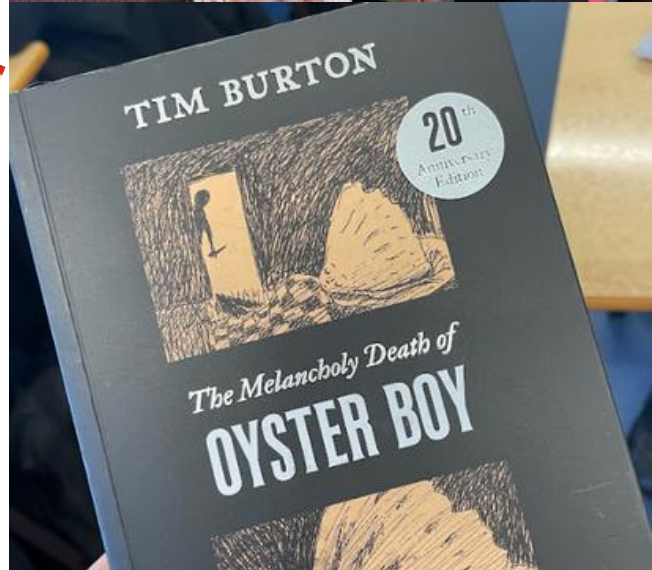

"The reason I like this book is because it shows that even if you don't have a family, you still have power, and it can help a lot of people." - Kamani

"I like this book because it teaches kids that if you want to do something and you put your mind to it, you can actually do it." - Ali

"This book gives you an insight into the history of London whilst also providing an adventure - that is why I like the whole series so much!" - Lennie

"World Book Day on Thursday, 6th March, was a great success. Activities commenced at the start of the week, with the aim to spark a reading culture in our school.

Students viewed online author talks and heard staff reviews about their favourite book.

Cicely Tyson's autobiography, Just As I Am, resonated with students, sparking curiosity about the life experiences of a woman born in 1924. This led to student conversations about reading habits. Some students expressed that they had a dislike for reading but felt motivated to give daily reading a try."

Mrs. Lloyd

YEAR 7

A Message to Year 7

As we reach the Easter break, I want to take a moment to congratulate each and every one of you on your hard work and dedication this term. You have shown resilience, enthusiasm, and a fantastic attitude towards your learning, and that is something to be proud of!

Keep up the great work, and make sure to take this time to rest, recharge, and enjoy the break—you've earned it!

Looking forward to seeing all of you after Easter, ready for another exciting term.

Ms Ozpalas & Mr Freeman

Year 7 Jack Petchey Winner

Congratulations to Destinee for winning the Jack Petchey Award for March. Destinee shows compassion, care and support for her friends and family in all she does. Destinee is a role model and fully embodies each of our ASPIRE values.

100% Attendance

A huge congratulations to the students listed above who have all maintained their 100% attendance record. This means that they have not missed a single lesson or day of school since starting at Holy Family. What a fantastic achievement!

You are Amazing!

YEAR 7

Premier League Inspires

On Friday 28th March, the year 7 Premier League Inspires group went to Tottenham Hotspur Stadium, where they participated in work shops, treated to a tour of the stadium and met Antonín Kinský. Their behaviour and participation was exemplary and they had an amazing time.

YEAR 8

100% Attendance

Congratulations! 🎉 You've officially earned your place in the 100% Attendance Club, and that's an amazing achievement! Your dedication, commitment, and resilience haven't gone unnoticed. Showing up every single day proves your determination to succeed, and that effort will definitely pay off in the long run.

ENGLISH

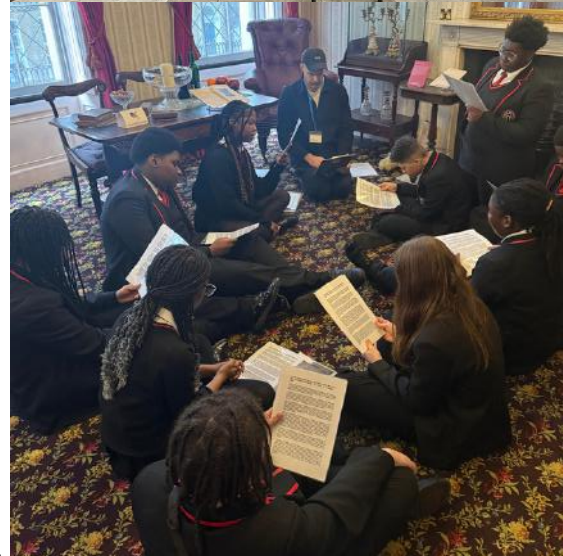

Year 9 English Trip to the Charles Dickens Museum and The Royal Courts of Justice

Across Thursday 6th and 13th March, 60 Year 9 children went on the English trip to the Charles Dickens Museum and the Royal Courts of Justice to support with their learning of Charles Dickens, *Oliver Twist* and crime and punishment in Victorian England.

In the morning, students spent time in the Charles Dickens museum, which was Dickens' London home for a short period of time. As walked up and down the five story house for what seemed like endless flights of stairs, students learnt about Dickens' own life in a blacking factory after his father was sent to Marshalsea Prison for debt, where we saw the real bars from the prison. Students also looked at some Victorian documents surrounding crime and punishment including floor plans of prisons, criminal records of starving teenagers who had been caught stealing and a shocking document that was used to calculate the drops for hangings! Students left with a greater understanding of why Dickens wrote about the plight of the poor and the cruelty of the Victorian era. But it was not all doom and gloom because we were lucky enough to see Dickens' study and desk where he wrote many of his famous novels including *Oliver Twist*!

After having lunch in nearby Lincoln's Inn Fields where we were blessed with glorious sunshine with the A Side but not so blessed with heavy rain on the B Side, we moved onto our workshop at The Royal Courts of Justice. Students participated in a mock trial in a real court room based on the case of whether Jack Dawkins (*The Artful Dodger*) was guilty of stealing a silver snuff box or not. It was a brilliant opportunity for students to learn about the British legal system and to gain valuable insight into legal careers as they stepped into the roles of judge, jury, clerk, witnesses, barristers and solicitors. With real law students guiding them, they built compelling arguments, faced intense questioning, and debated with such passion that the judge had to call for order once or twice! Based on the two mock trials across the two days, we will have some excellent lawyers in the future!

APRIL 2025 • HFCS News

ENGLISH

Year 7 English Trip to Shakespeare's Globe

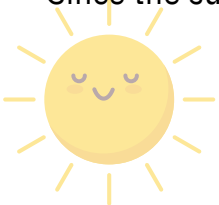

On Wednesday 2nd April, 30 Year 7 children went on the English trip to Shakespeare's Globe to support with their understanding of *The Tempest*, which they have been studying this term.

The day began with a tour of one of London's most famous theatres, where students stepped back in time to explore the history of Shakespearean performance and life in Elizabethan and Jacobean England. We were lucky enough to have the opportunity to watch professional actors rehearsing for *Macbeth*. But the excitement didn't stop there! Moving into a studio space, our students took part in a drama workshop.

Through energetic warm-ups, expressive movement, and some wonderfully dramatic freeze frames, students brought Shakespeare's words to life in their own unique way. Even Mr Freeman and Mr Parry performed a final freeze frame where Prospero frees the loyal Ariel!

Since the sun was shining, we ended the day with lunch on the Southbank taking in the sights of the Thames and St. Paul's Cathedral.

Miss Duffy

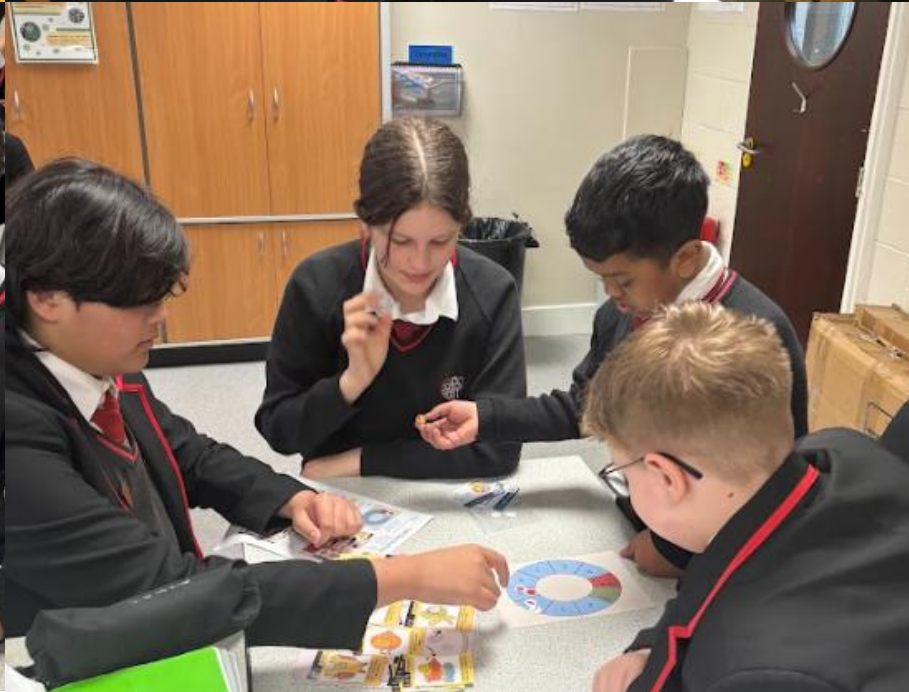

SCIENCE

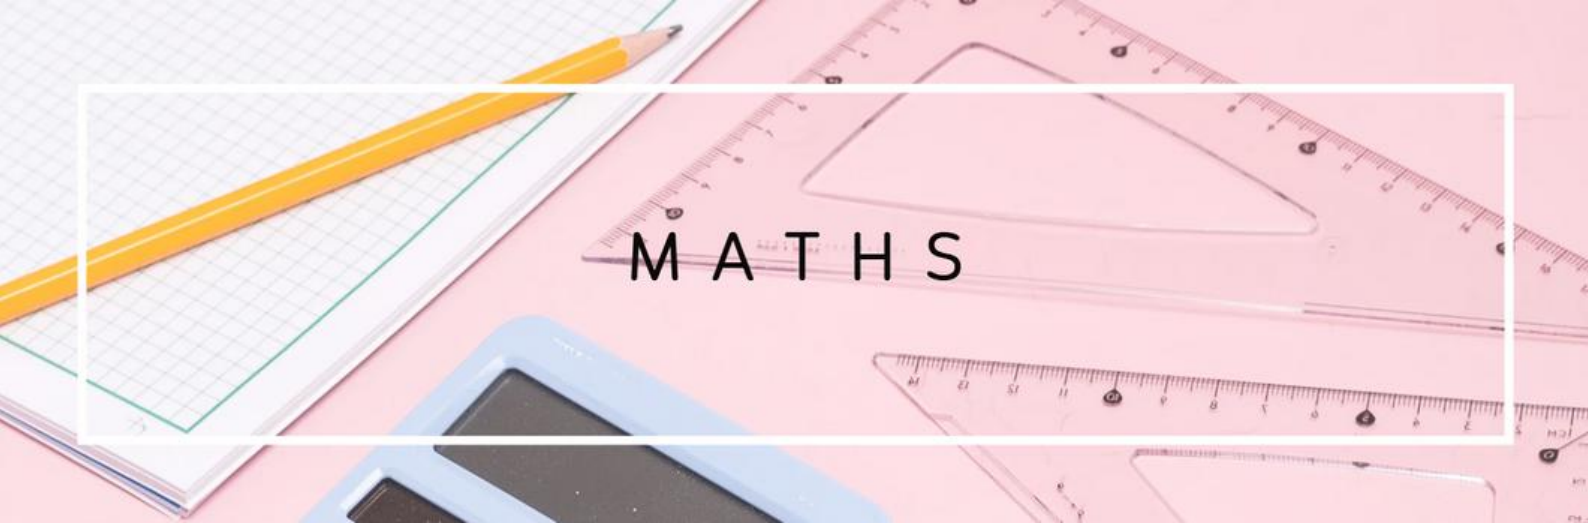

British Science Week

The Science Week theme this year was 'Change and Adapt.' We celebrated in the week Mon 10th March to Friday 14th March 2025.

We were proud to host the annual primary science fair; welcoming 5 local primary schools into Holy Family to celebrate all things Science! Thank you to OLSG, Chapel End, Emmanuel Christian School, Henry Menard and St Josephs Primary School for attending.

We also streamed some STEM Online Guest Speakers over the week. Sessions included topics such as Artificial Intelligence (AI) for teenagers and a Cell Survival Game! Please enjoy the photos from the week, below.

Pi Day

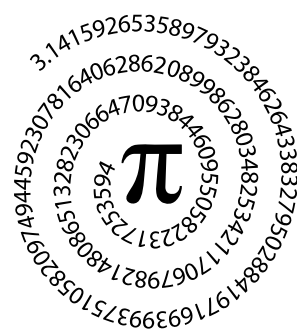

Pi Day is an annual opportunity to celebrate maths, talk about maths and eat pie. The Maths Department celebrated Pi Week from 10th - 14th March. The 14th March is dedicated to Pi, as it is the 3rd month and the 14th day – 3.14 being the start of the number of Pi.

Pi π is one of the most recognisable mathematical symbols. It is used to represent a constant (a fixed number) and is the ratio of the circumference of a circle to the diameter which has over 1 trillion digits beyond the decimal point and is approximated to 3.14.

The earliest approximations of pi were found in ancient Babylon and Egypt, where they both knew the value was greater than 3. The ancient Greek mathematician Archimedes discovered the first three digits of pi, 3.14 and in 1706, mathematician William Jones was the first to use the Greek symbol, π to represent the ratio of the circumference of a circle to its diameter.

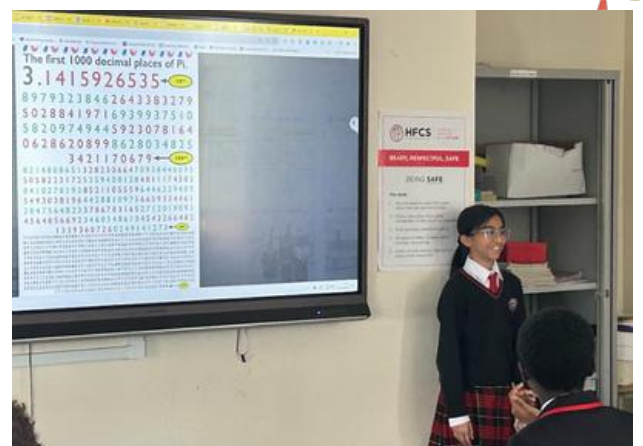

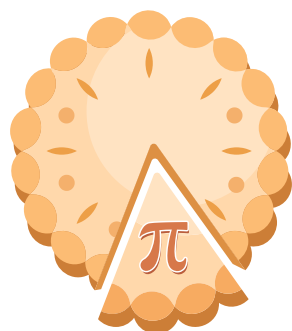

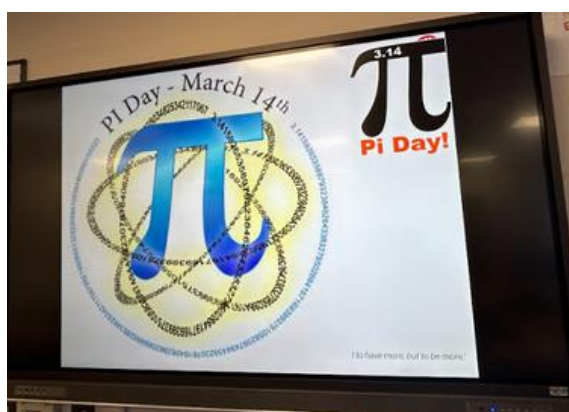

Pi week at Holy Family

We held Pi Recitals where students boldly recited as many digits of pi as they could. There were many impressive results and our overall winner was Estif A with a remarkable 136 digits.

Holy Family's Pi Leaderboard

- 🏆 1st Estif A in 9I - 136 digits
- 2nd Angeline A in 8S - 112 digits
- 3rd John V in 12E - 84 digits
- 4th Gerard O in 9P - 79 digits
- 5th Tyron T in 9P - 46 digits
- 6th Ozan E in 7R - 39 digits
- 7th David O in 10A - 34 digits

MATHS

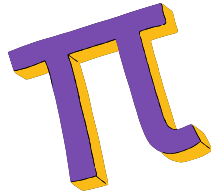

Pi-ku Competition

A Haiku is a Japanese poetic form that consists of three lines, with 5 syllables in the first line, 7 in the second, and 5 in the third. A Pi-ku has three lines, with 3 syllables in the first line, 1 in the second and 4 in the third.

See below for some of our Pi-Ku entries:

*"Circle's edge,
Pi,
goes forever"*

Yaa O- Y7

*"Endless curve,
pi,
unfolds time's
code."*

Cai S - Year 7

*"Pi is long
and
Never-ending"*

Szymon W - Year 8

*"Why Pi Why
your
Digits so high?"*

Jerrell P - Year 9

*"Pi, endless,
One,
Mystery unfolds."*

Keto K- Year 9

Pi themed lessons also took place, where students learnt more about the history of Pi, its uses along with Pi themed relays, Pi codebreakers, Pi word searches.

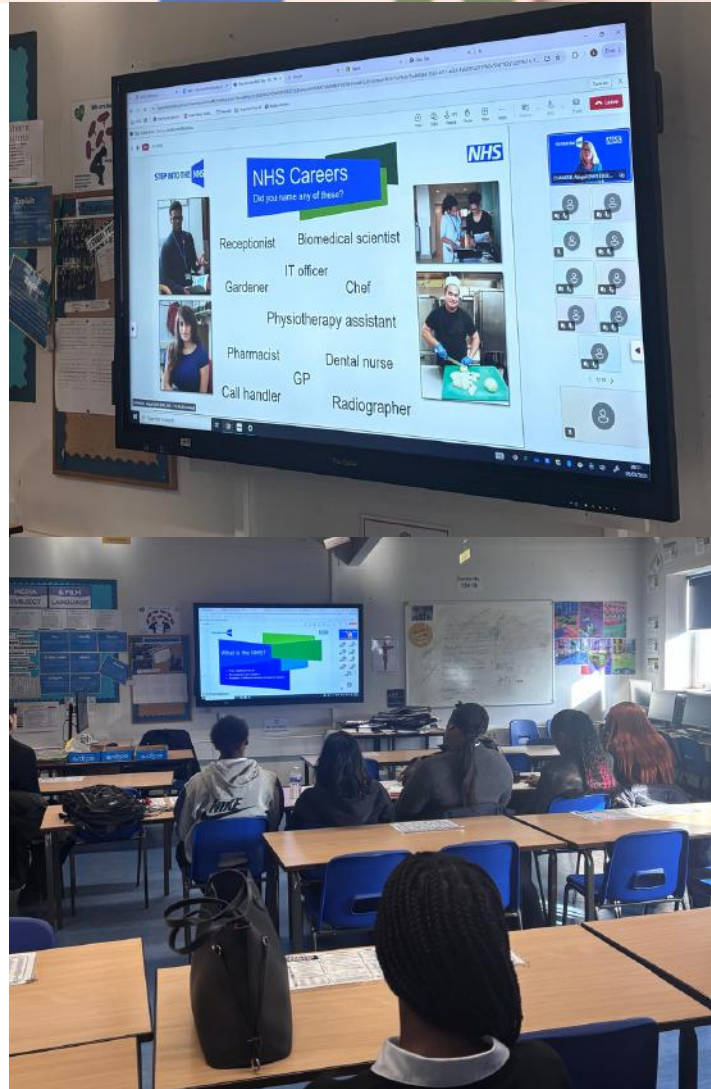

Step into the NHS!

For careers week, a group of Year 12 Health and Social Care students volunteered to take part in the NHS's 'Step into the NHS' virtual works experience day.

The day was made up of several sessions where students took part in activities such as 'Guess the Professional' and a matching activity. Students heard from a variety of people working in the NHS; such as a Project Manager, a Cyber Security worker and a Biomedical Scientist. The students were given an insight into a 'Day in the Life' of the different professionals and were given the invaluable opportunity to ask them questions.

In between sessions, students worked on their competition entry for the day. Students chose any NHS professional and created a job advertisement for them - the more interactive the better! Our Holy Family student's picked a range of professionals; including a district nurse, a triage nurse and a midwife. You can see some of our entries at the bottom of this page.

Well done to all students who took part!

What is a Triage nurse ?

A Triage nurse is a registered nurse positioned in an emergency room ; responsible for assessing patient's and determine their need for medical assistance.

- A Triage nurse is typically the first point of clinical contact for patient's visiting an emergency room

What is the difference between regular nurse and a Triage nurse?

Both nurses holds a nursing license , but Triage nurse are emergency care specialists. They provide a less routine patient care than a regular nurse. Triage nurse focuses on life sustaining procedures for crisis patients.

NHS DISTRICT NURSE

SALARY INFORMATION
The average district nurse salary in the United Kingdom is £39,845 per year or £20.43 per hour. Entry level positions start at £34,628 per year while most experienced workers make up to £55,575 per year.

QUALIFICATIONS NEEDED
To be a qualified district nurse you need a degree in nursing which is a bachelors of science or bachelor of nursing. This degree takes 3 years to complete.

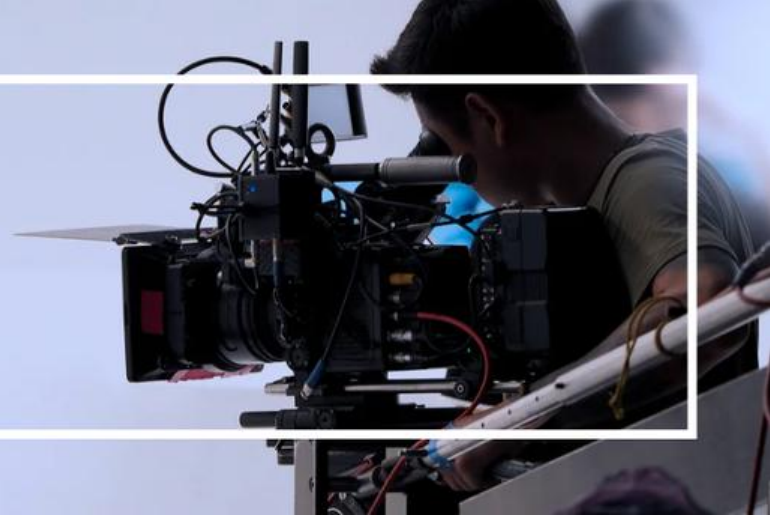

SKILLS NEEDED

- clinical skills
- effective communication skills
- time management
- problem solving skills
- empathy and compassion
- knowledge of community resources

DAY TO DAY LIFE OF A DISTRICT NURSE

DAY TO DAY LIFE

FILM STUDIES

A Level Film Studies

A Level Film Studies students have had a busy half term with lots of trips and careers talks!

The half term started with a fantastic workshop at The Forest Cinema, 'Script to Screen'. Our students got to learn from one of the top screenwriters in the country who gave us insider tips in getting your film from an idea to the big screen.

On Careers Day we were delighted to welcome Anthony Williams in to talk to our Media and Film students. Anthony is an ex-student of Mr Myers and is currently working on Dr Who! We got to hear all about Anthony's journey into the creative media industry and the roles he has had, including location manager, prop coordinator and assistant producer. We even got to see some exclusive behind the scenes footage of an exciting upcoming project.

A number of our Film and Media students also had a great opportunity to work the International Women's Day event at the Walthamstow Trades Hall. In partnership with E17 Films our students managed and recorded a podcast following the events of the day. They were on hand to interview people and cut together the podcast. A great work experience!

BUSINESS STUDIES

Sweet Success: Young Entrepreneurs in Action!"

The Young Enterprise Business Club has been hard at work learning the art of adding value to their products while mastering the essentials of making a profit. This term, they have created delightful sweet cones and charming gift bags, showcasing their creativity and entrepreneurial spirit. Their efforts are not just about sales; the club has a heartwarming goal in mind: to use the profits to enhance the lower site playground, ensuring that all students can enjoy a fun and vibrant play space.

Stay tuned for updates on their sweet journey and the positive impact they're making in the community!

DRAMA & PERFORMING ARTS

The Globe Theatre

On the 20th March, Ms Hampshire-Mannion, Mrs Maris, Mr Freeman and Ms Hall-Jones, took 25 students from the Year 10 GCSE Drama class and 27 year 9 Drama students to see Macbeth at Shakespeare's Globe Theatre.

It was a beautiful sunny day and the sights were spectacular. Students took in St Paul's Cathedral, views from the Millennium Bridge and the Embankment.

The performance and the Globe theatre were breathtaking. Students and staff had a glorious day together. Can't wait to visit again soon!

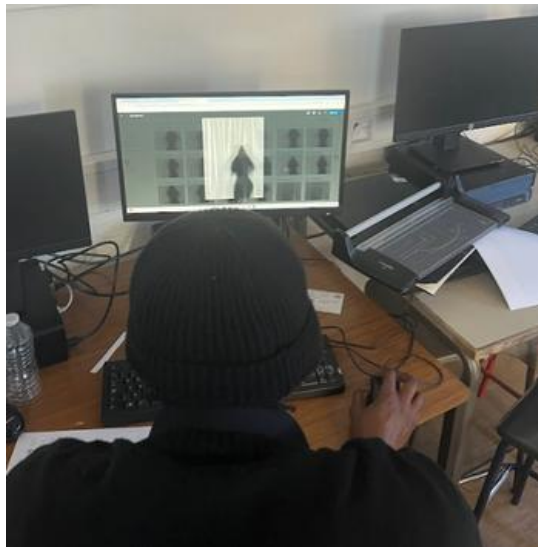

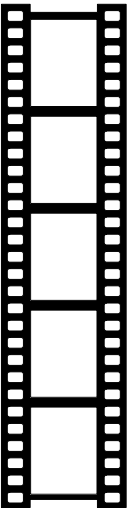

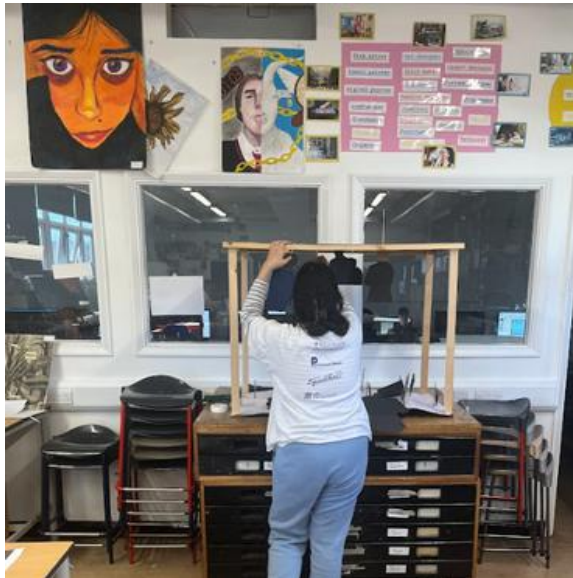

ART & PHOTOGRAPHY

A Level Art and Photography Exam

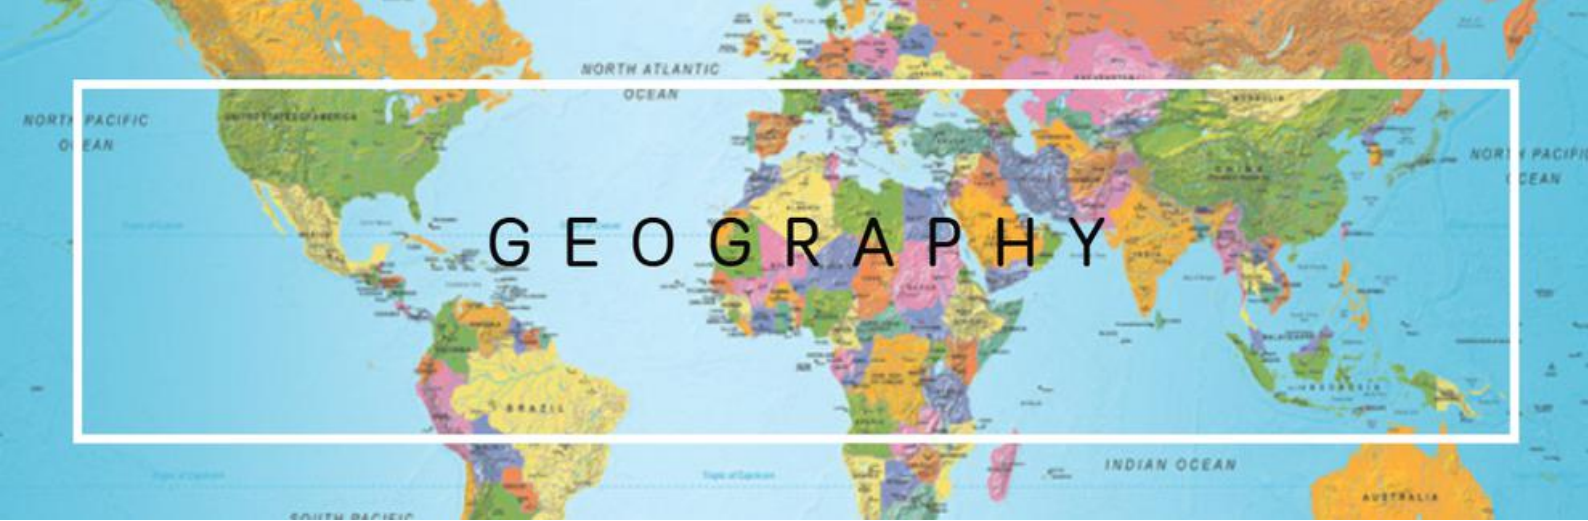

Our A Level students started work on their Art and Photography Exam on Tuesday 1st April. The students are working hard and are starting to create some interesting things! I'm excited to see the final outcomes!

Miss Winson

The final pieces will be displayed at our annual Art and Photography exhibition, which is always a lovely event. Dates to be confirmed - watch this space!

Year 10 Geography Trip

Pictured: Standing in the spot where John Constable painted the Hay Wain 104 years earlier, the Year 10 Geography Trip draws to a successful conclusion in Suffolk.

At the start of this term, students and staff had a lovely time on the Yr10 Geography Trip to Flatford Mill in Suffolk. Students had to work really hard over the two days and were exhausted by the end of the trip.

They spent one day measuring the width and depth of a river, and the other interviewing people in Ipswich.

Thank you so much to Mr. Graefe, Ms. Fodor and Mr. Bird who were an amazing support, bringing enthusiasm and positivity to the trip!

S P O R T S

We are Champions!

We are so proud of our Under 16 Girls football team who are now Champions. They beat Waltham Abbey 3-0 to win the Girls Football Division 2 Borough Final.

Each member put in an excellent performance and everyone pulled together as a team. Congratulations!

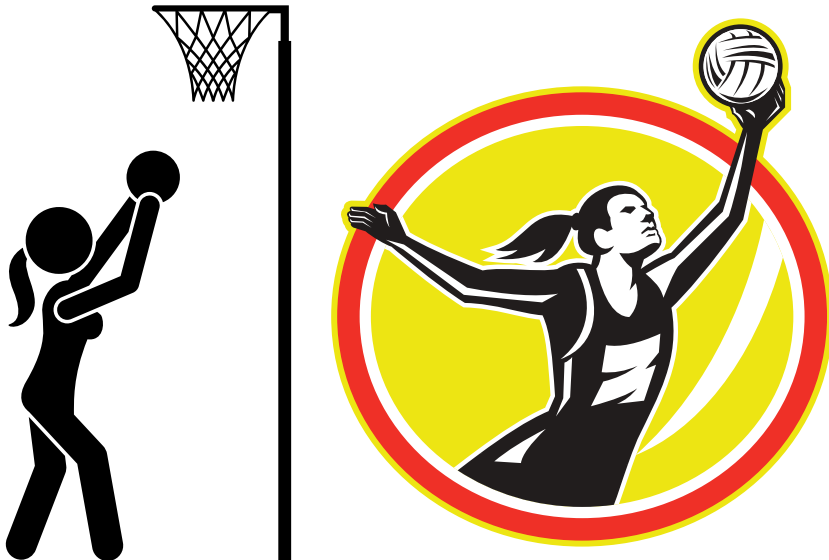

Year 7 & 8 Netball

This half-term has been a very successful one for our Year 7 and Year 8 Netball teams (pictured).

They have an unbeaten record for the half-term, winning 6 out of 6 games! Year 7 finished off their first season of competitive Netball with a 9-2 win against Highams Park.

Well done - let's hope the winning streaks continue!

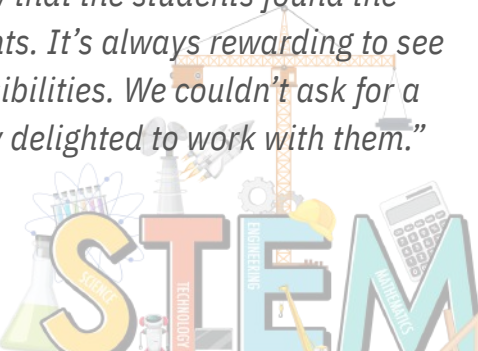

Careers Drop Down Day

This half-term, we had a Drop Down Day across the school. The focus of the day was careers. One of the activities involved a group of year 10 students visiting Waltham Forest College. Here, they attended a session to gain some hands-on experience in STEM activities. Overall it was a valuable experience that enriched students' learning beyond the classroom and the students really enjoyed it!

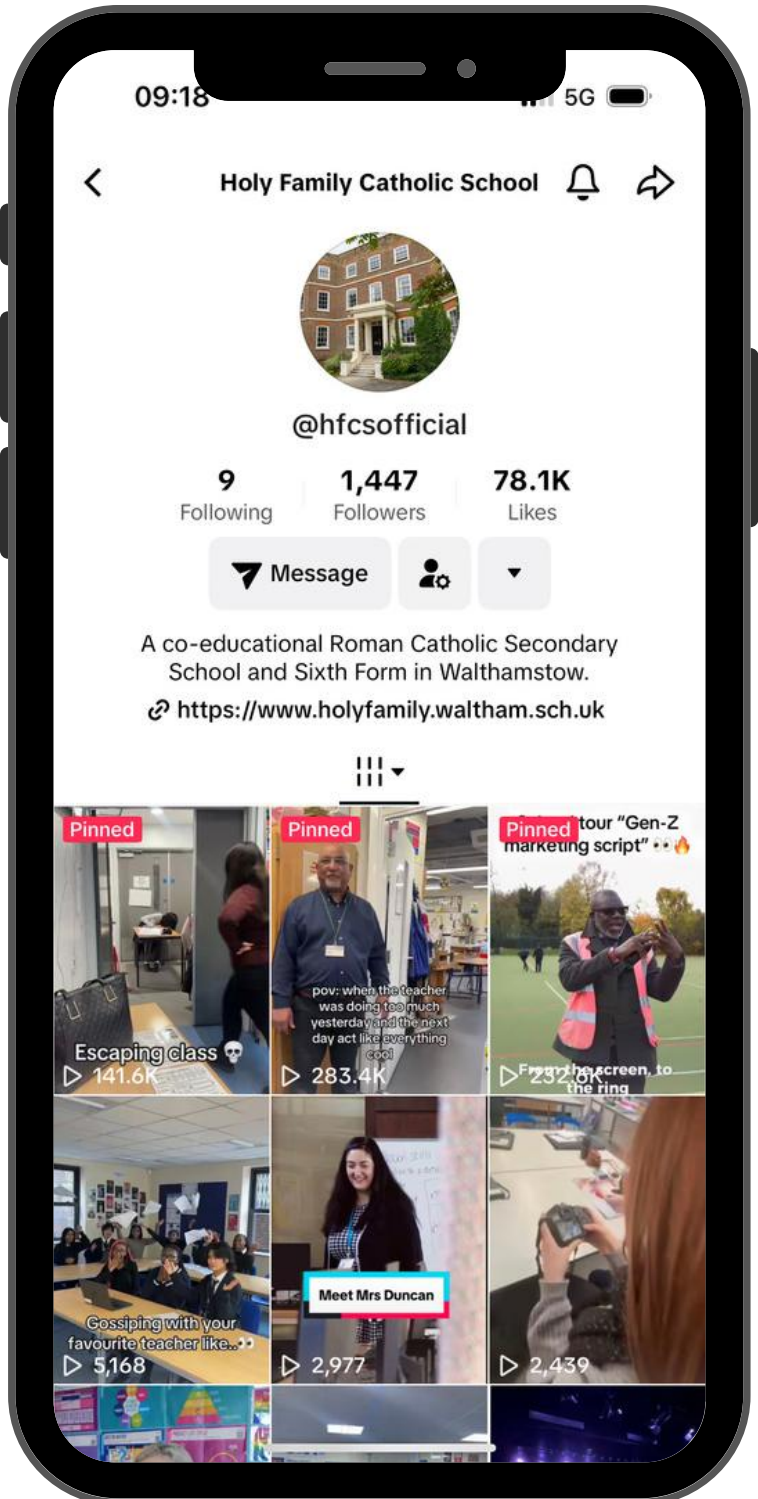

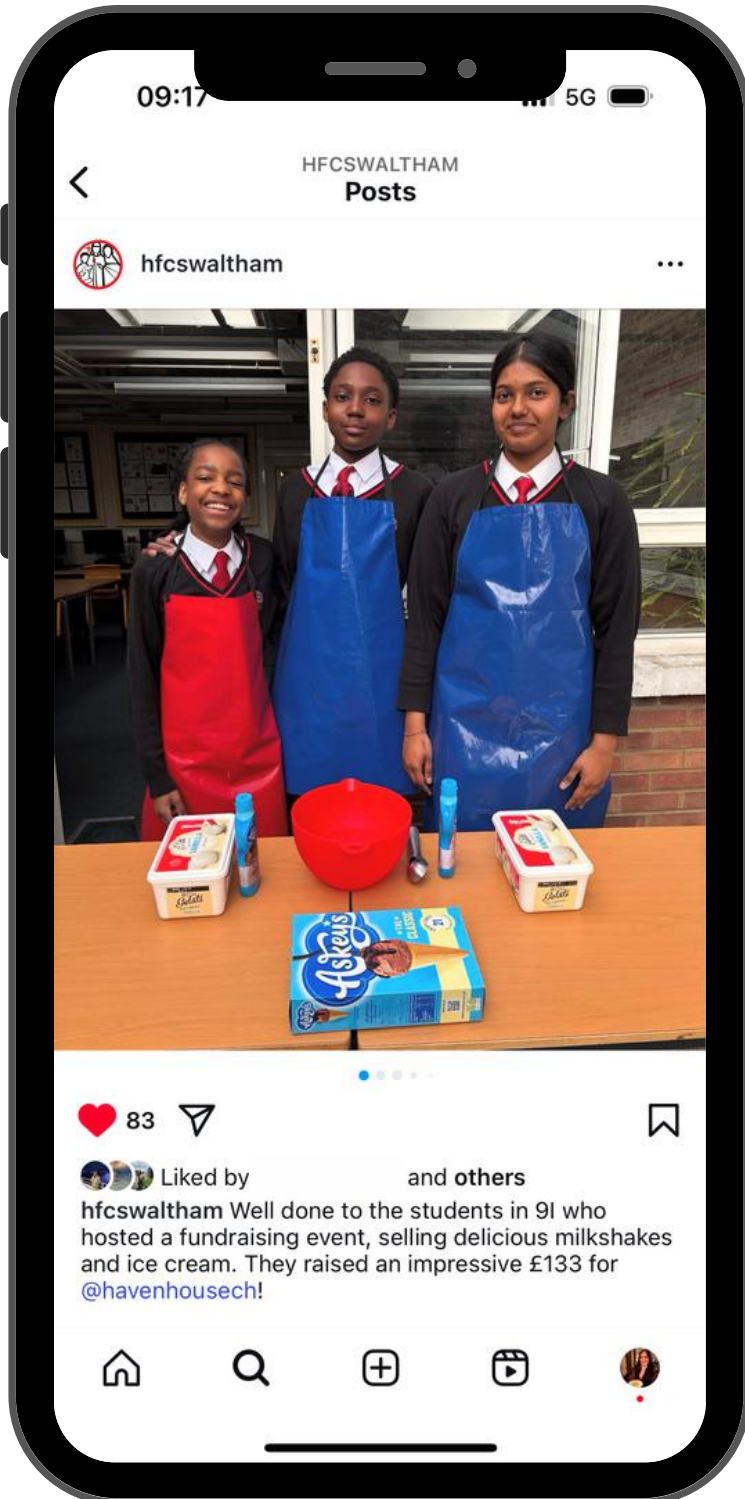

“Our team really enjoyed hosting the session, and it’s wonderful to know that the students found the activities engaging—especially the mocktail-making and animation segments. It’s always rewarding to see young people getting hands-on experience and exploring new career possibilities. We couldn’t ask for a more enthusiastic and lovely group of students, and the staff were equally delighted to work with them.”
